

2021/2022 **DONOR REPORT**

PRESIDENT & CEO'S MESSAGE

In 2021-22, Southeast College students benefited from more than \$97,000 in scholarships and bursaries. These scholarships and bursaries were largely funded by community businesses, organizations, and individual donors. Each year we are beyond thankful for the support of every donor that recognizes the importance and value of post-secondary education.

In 2022 we continued to adapt to the ever-changing needs of our community, building partnerships, and providing valuable supports for our students. Moving forward, we continue to explore partnerships that align with labor market demand and post-secondary opportunities in Saskatchewan. These partnerships allow donors to participate in classroom presentations, mentorship initiatives, speak to the students, and take facility tours. A few students even start their careers at businesses that sponsor their program! This goes to show that industry partnerships hold an unlimited opportunity to Southeast College students!

Your donation makes our community a better place. Every scholarship and bursary has a ripple effect. Your commitment impacts families and communities. You are building the success of the student who in turn goes on to help give back and grow the communities we live and work in. Supporting our students

and helping them grow is key to the growth and prosperity of our communities.

This year we were very excited to host campus graduation and scholarship celebrations in Moosomin & Whitewood, Estevan, and Weyburn. This was the first time we hosted a campus graduation and scholarship celebration, and it was incredibly well received. It felt great to open an invitation to the community and have families, friends, donors, and communities share in celebrating the success of our students. We look forward to hosting and growing the graduation and scholarships ceremony for spring 2023!

As we move through the next academic year, our commitment to our students and their education remains unchanged. We will continue to seek new scholarship partnerships; be innovative in the way we award our scholarships and bursaries, and we will continue to be grateful to all our partners.

With the greatest sincerity, thank you!

Thank you for giving these students a pillar of support and the ability to make our communities a better place. Our students will be forever grateful for the opportunities you have provided.

\$17,000 distributed in entrance awards

Pathways Award

Establishing a pathway of success for recent Southeast College Adult Basic Education Graduates who choose to pursue a full-time post-secondary education at Southeast College.

Southeast College Award of Excellence

Empowering students and rewarding those who strive towards a path of academic excellence.

Over \$97,000 distributed to students through the region in Scholarships, Awards and Bursaries

Utilized 100% of matching funds allotted from the Ministry of Advanced Education through the Saskatchewan Innovation and Opportunity Scholarship Program (SIOS)

NEW STUDENT AWARD/BURSARY/ SCHOLARSHIP DONORS SIGNED THIS YEAR

NEW INDUSTRY DONORS

Industry Related awards:

Industry awards are designed to support those students enrolled in oil and gas related programs at Southeast College. These partnerships are designed to positively impact post-secondary students and support industry growth in Southeast Saskatchewan.

EnerPlus: First Enerplus Award was distributed in the 2021-22 academic year

Steel Reef: First Steel Reef Award was distributed in the 2021-22 academic year

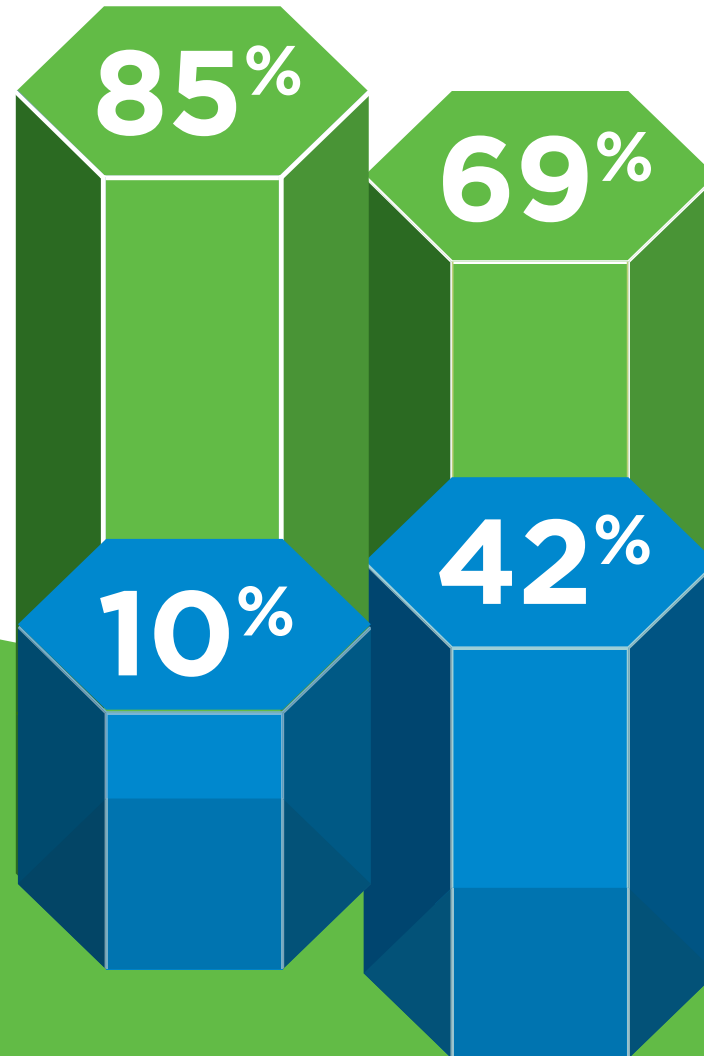

NEW FOR 2022/23

Walker Wood Foundation

- 4 Scholarships designed for students who achieve high academic scores but may have otherwise found post-secondary education difficult to afford.
- The first Walker Wood Foundation Scholarships will be distributed in spring 2023.

\$1,700 WAS THE AVERAGE AMOUNT TAKEN HOME BY RECIPIENTS OF APPLICATION-BASED AWARDS

85% of Post-Secondary students applied for awards

10% more Post-Secondary students applied for awards in 2021/2022 than did in 2020/2021

69% of Adult Basic Education students applied for awards

42% more Adult Basic Education students applied for awards in 2021/2022 than did in 2020/2021

2021/2022 YEAR HIGHLIGHTS

AUGUST 2021

T.E.A.M. Bursary was awarded to Jacqueline, a recent ABE graduate enrolled in the CCA program at the Weyburn campus.

The T.E.A.M. Bursary is designed to support a student who has recently completed their Adult Basic Education through Southeast College, and has chosen to continue on to a full-time Southeast College post-secondary program.
