

BOARD

Recognition of Board Members G19

POLICY

The College will recognize, in an appropriate manner, the contribution to the College of individuals who have served as Board members.

PROCEDURES

1. When a Board member resigns or term expires, who has served at least one year on the Board, the College will thank the Board member with an appropriate gift. The value of the gift will be calculated as follows: the base amount will be \$100.00 and each year after the first year will be an additional \$20.00 (this can be adjusted in future years by the Board to reflect inflation);
2. The Board may name one of the College Student Awards after a retiring Board member who served a minimum of five years and whose contribution to the College was above that normally made by Board members.
